Extended Double Diamond™ Warranty Available (3 Additional Year)

| 1 Year Included | 1 Additional Year | 3 Additional Year |

LBS005A Features

● Add five 10/100 ports to your network.

● Pocket-size Fast Ethernet switches are a quick way to build a small network or add ports to an existing network.

● Can be powered through a PC's USB port so there's no need to find a spare outlet. Or use the included AC power supply.

Details   Tech Specs   Support   Warranty   Accessories

● Five autosensing 10-/100-Mbps ports.

● Autonegotiating half-/full-duplex.

● Auto-MDI/MDI-X function on all ports, so no need for cross-pinned cables.

● Non-blocking, store-and-forward switching method.

● Easy-to-see LED indicators enable you to view network status.

● Easy plug-and-play operation.

● Compact so you can tuck it neatly in back of your PC.
