

# 4-Outlet Power Strip - British BS1363A Outlets, 220-250V AC, 13A, 1.8 m Cord, BS1363A Plug, White

MODEL NUMBER: **PS4B18**

4-outlet power strip distributes electricity to home and office electronics, including computers, power tools and appliances.

## Features

**29.5 cm Power Strip Delivers Electricity to 4 Devices at the Same Time** Compatible with standard electrical equipment, this ProtectIt!® power strip features four BS1363A outlets and a durable white plastic housing. It is ideal for powering almost anything with a compatible plug, including computers and mobile devices to appliances and power tools.

**Allows Flexibility in Placing the Power Strip Away from the Wall** The BS1363A plug is attached to a 1.8-meter power cord, which gives you more choices in placing the power strip away from the connected AC outlet.

**Vertical or Horizontal Mounting for Desks and Workbenches** Keyhole-shaped mounting slots on the back of the power strip allow you to permanently install it on any flat surface, including walls, with user-supplied hardware.

**Premium Safety Features Designed for Protecting Your Valuable Equipment** The PS4B18 features an on/off switch with diagnostic LED that provides one-touch control over all connected devices. An integrated 13A circuit breaker protects all outlets and automatically cuts power if the protection circuit is incapacitated, preventing equipment damage and indicating replacement is required.
